## SPONSORS

# BALTIC ALD 2014

12<sup>TH</sup> INTERNATIONAL BALTIC CONFERENCE ON ATOMIC LAYER DEPOSITION

Physicum (Gustaf Hällströmin katu 2A), Helsinki, Finland  
May 12-13, 2014

## CALL FOR ABSTRACTS

Submission deadline January 31, 2014

### Topics

- Fundamentals
  - Precursor Chemistry
  - Film Growth and Nucleation
  - Novel Materials
  - Characterization
  - Modelling
- Nanostructure Synthesis
- Applications
- Industrialization

### Invited Speakers

- Professor Jaan Aarik, University of Tartu, Estonia
- Professor Victor Drozd, St. Petersburg State University, Russia
- Professor Marc Heyns, IMEC, Belgium
- Professor Kornelius Nielsch, University of Hamburg, Germany
- Professor Shi-Woo Rhee, POSTECH, Korea
- Professor Xueliang (Andy) Sun, The University of Western Ontario, Canada
- Dr. Jonas Sundqvist, Fraunhofer CNT, Germany
- Dr. Tuomo Suntola, Picosun Ltd, Finland
- Professor Roger Webb, University of Surrey, England

### International Advisory Board

- Professor Jaan Aarik, University of Tartu, Estonia
- Professor Mats Boman, University of Uppsala, Sweden
- Professor David Cameron, Lappeenranta University of Technology, Finland
- Professor Victor Drozd, St. Petersburg State University, Russia
- Professor Marek Godlewski, Polish Academy of Sciences, Poland
- Dr. Suvi Haukka, ASM Microchemistry, Finland
- Professor Leif Højslet Christensen, Danish Technological Institute, Denmark
- Dr. Konstantinas Leinartas, State Research Institute, Vilnius, Lithuania
- Professor Kornelius Nielsch, University of Hamburg, Germany
- Professor Ola Nilsen, University of Oslo, Norway

### Local Organizing Committee

- Professor Markku Leskelä, University of Helsinki  
Conference Chair
- Ms. Emma Härkönen, University of Helsinki  
Coordinator
- Professor Jouni Ahopelto, VTT
- Mr. Markus Bosund, Beneq
- Professor Maarit Karppinen, Aalto University
- Dr. Wei-Min Li, Picosun Ltd
- Professor Harri Lipsanen, Aalto University
- Dr. Riikka Puurunen, VTT
- Professor Mikko Ritala, University of Helsinki
- Professor Jyrki Räisänen, University of Helsinki
- Dr. Marko Tuominen, ASM Microchemistry
